OF THE APPLICATION OF NAVOPACHE ELECTRIC COOPERATIVE, INC FOR APPROVAL OF ITS RENEWABLE ENERGY STANDARD IMPLEMENTATION PLAN AND TARIFFS DOCKET NO. E-01787A-07-0576

On October 5, 2007, Navopache Electric Cooperative, Inc. ("NEC") filed with the Arizona Corporation Commission its Renewable Energy Standard Implementation Plan and its Renewable Energy Standard ("RES") Tariff in compliance with R14-1808 (A). NEC also filed its RES Customer Self-Directed Tariff in compliance with RES Rule R14-1809(A). NEC's RES Tariff proposes to meet the requirements of the Renewable Energy Standard and Tariff Rules that became effective on August 14, 2007.

In the new RES Tariff filing, NEC is proposing a surcharge per kWh subject to monthly maximums by customer class. The proposed governmental and agricultural member/customer surcharge is \$0.000875 per kWh. The proposed governmental and agricultural member/customer maximum is \$13.00 per service and the proposed governmental and agricultural member/customer maximum when demand is 3,000 kW or more for 3 consecutive months is \$39.00 per service. For all other members/customers, NEC is proposing a surcharge of \$0.004988 per kWh. NEC is proposing a \$1.05 maximum per service for its residential members/customers. The proposed non-residential member/customer maximum is \$39.00 per service. For non-residential members/customers with a demand of 3,000 kW or more for 3 consecutive months, the proposed maximum is \$117.00.

In addition to the RES Tariff, NEC has also filed its Voluntary RES Contribution Program Tariff with the Commission. The proposed program allows members/customers to purchase 50 kWh blocks of green energy for an additional \$2.00 per block. NEC's proposed Customer Self-Directed Tariff allows eligible non-residential members/customers with multiple meters that pay more than \$25,000 annually in RES Surcharge funds to receive funds to install Distributed Renewable Energy Resources.

The application is available for public inspection during regular business hours at the Commission's offices at 1200 West Washington Street, Phoenix, Arizona 85007, and on the internet via the Commission website (www.azcc.gov) using the eDocket function.
